# Transportation

Bus information is available at OCPS.net on the homepage under Newcomers - **Find My Bus**. Simply insert the **street number and street name only**, then select *Ocoee High*.

The screenshot shows the 'Find My Bus' page on the OCPS website. At the top, there's a navigation bar with 'Find My Bus' highlighted. Below it, a breadcrumb trail reads 'Orange County Public Schools / Departments / Transportation Services / Student / Find My Bus'. To the right of the breadcrumb are icons for printing and font size adjustment (A-, A+). The main content area is titled 'Instructions' and contains a paragraph and two bullet points. The first bullet point explains how to enter the address, with an example: 'Colonial Drive would be entered simply as "Colonial"'. The second bullet point instructs users to select their school from a dropdown and click 'Submit'. Below the instructions, a note provides the Help Desk contact number. A red banner at the bottom of the main content area states that bus route information for the 2017-18 school year will be available after approval by the School Board on August 4, 2017. At the very bottom, there is a logo for 'OCPS TRANSPORTATION SERVICES' featuring a school bus, and a banner with three photos of students on buses and the text 'To provide the safest, most efficient and professional transportation for the district's learners.' followed by 'Transportation Services OCPS Wednesday, August 2, 2017'.

# Accelerated Classes, Senior Privileges, and On Campus/Off Campus courses

- The State of Florida expects all high school students to graduate with *at least* one accelerated opportunity.
  - We provide one opportunity *per year* for *every* student in grades 9-12.
- What does Accelerated Opportunity mean?
  - Advanced Placement (AP) class (must *pass* the AP exam in order for the state to recognize as accelerated)
  - AICE class (must *pass* the AICE exam in order for the state to recognize as accelerated)
  - Dual Enrollment (DE) class (passed)
  - Successfully earned an Industry Certification (IC)

# Senior Privileges, and On Campus/Off Campus Courses

## Senior Privileges

- Some seniors request to have 1 or 2 periods off campus in their senior year. Students are only permitted off-campus periods *if* they have met ALL graduation requirements including having passed the FSA, Alg EOC, 18 or more credits earned, and have a 2.5 unweighted GPA.
- Additionally, in order to earn an off campus period, seniors must have *already* successfully completed an accelerated course by the end of their junior year.
- **HOWEVER** The Ocoee guidance department formally and emphatically *discourages* ALL Seniors from taking *any* off campus periods as colleges/universities expect to see students challenging themselves through the senior year, and the final transcript must show a sustained level of rigor and quality.
- Seniors must have an unweighted 2.0 GPA, a minimum of 17 of the 24 required credits, and a passing score on both assessments in order to participate in Senior Activities.

# Best Practices for Success

## What do I do when my child is struggling in a class?

1. First- your student should communicate directly with their teacher.
2. Second, parent would contact teacher directly. Teachers' email addresses are their firstname.lastname@ocps.net
3. Third, if possible, student should attend a tutoring session in that subject area.
  - a. Tutoring is offered Tuesday and Thursday in the Media Center at 2:45PM
4. Schedule a parent/teacher conference
5. Lastly, if you need further assistance, contact your student's school counselor.

In order for students to satisfy the community service requirement for Bright Futures eligibility, they must:

- Develop a written community service plan which addresses a social problem or concern and his or her personal involvement in addressing the issue.
- Submit community service documentation to a school counselor upon completion of the approved activity, which includes an essay or other presentation in which the student evaluates and reflects upon his or her experience.

Community service projects will not be accepted if they were completed:

- For a family member
- Prior to the summer before entering Grade 9

Beginning with the 2017-2018 school-year, all high schools will use the [Community Service Form](#) and [Community Service Log & Reflection](#) to document community service for OCPs students. Make sure to review the [Community Service Plan Guide](#) before filling out your plan.

School counselors must:

- Approve student plans prior to implementation.
- Review documentation upon completion.
- Check for signatures from the student, parent/guardian, and a representative of the organization for which the student performed the volunteer service work.
